BIGGEST OF VOTES ALL OVER COUNTRY.

Ideal Weather and a Record-Breaking Rush to the Polls.

Perfect weather is the general report from all States and an unusually big vote is being cast. In Ohio towns like Columbus and Cleveland the registration is so large that it is necessary in some precincts that ballots be cast at the rate of one a minute to enable all to vote.

Alabama Has Quiet Vote.

MONTGOMERY, Ala., Nov. 6.—Cloudy, cool weather favored voters. There was no canvass made in Alabama, except in the Fifth and Seventh Congressional Districts, where the vote is expected to be heavy. Alabama's delegation in Congress will probably be solidly Democratic.

Both Sides Claim California.

SAN FRANCISCO, Cal., Nov. 6.—A heavy vote is being cast in this city and State. At sunrise the polls were opened and many voted before breakfast. The campaign was conducted without bitterness. The State is confidently claimed by both parties, each by a plurality of 12,000 to 15,000.

Colorado Republicans Aspire.

DENVER, Col., Nov. 6.—Thronges were gathered at all the voting places in this city when the polls opened at 7 A. M. and voters proceeded rapidly. The weather is fine and the vote will be the heaviest ever cast in Colorado.

Rush to Connecticut Polls.

NEW HAVEN, Conn., Nov. 6.—Half of New Haven's vote was polled at 10 o'clock this morning. The indications are that Bryan will carry the city by a large majority.

Delaware Voted Early.

WILMINGTON, Del., Nov. 6.—Perfect weather characterized Election Day in this city and State, and a heavy vote is being polled. At most places there were lines of men waiting their turn to vote.

Illinois Claimed by Both.

CHICAGO, Nov. 6.—Generally favorable weather prevailed throughout the State and a heavy vote is being polled. At some points light showers were reported, but it is not thought that the vote will be affected.

NEVER TOO LATE

To Try a Good Thing.

I am fifty-two years old and for forty years of that time I have been a chronic sufferer, says Mr. James Giesling, of Allegheny City, with every change of weather my head and throat would be stuffed up with catarrhal mucus.

I could not breathe naturally through the nostrils for months together and much of the time I suffered from catarrh of the stomach. Finally my hearing began to fail and I realized something must be done.

I tried inhalers and sprays and salves which gave me no temporary relief, and my physician advised me to spray my throat with Peroxide of Hydrogen. But the catarrh would speedily return in a few days and I became thoroughly discouraged.

I had always been prejudiced against patent medicines, but as everything else had failed I felt justified in at least making a trial.

Our good old family physician, Dr. Russell, laughed at me a little, but said if I was determined to try patent medicine he would advise me to begin with Stuart's Catarrh Tablets, because he knew what they contained and he had heard of several remarkable cures resulting from their use, and furthermore that they were perfectly safe, containing no cocaine or opium.

The next day I bought a fifty-cent box of a drug store, carried it in my pocket and four or five times a day I would take a tablet; in less than a week I felt a marked improvement which continued until at this time I am entirely free from any trace of catarrh.

My head is clear, my throat free from irritation, my hearing is as good as it ever was and I feel that I cannot say enough in praise of Stuart's Catarrh Tablets.

These tablets contain extract of Scutellaria bark, Guaiacal, blood root and other valuable antiseptics combined in pleasant tablet form, and it is safe to say that Stuart's Catarrh Tablets are far superior to conventional, watery and effectiveness in the antiseptic treatment by inhalers, sprays and douches.

They are sold by druggists everywhere in the United States and Canada.

ITCHING LIMBS

And All Forms of Itching, Scaly Humors Are Instantly Relieved and Speedily Cured by CUTICURA.

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded that I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. I wrote: "What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA REMEDIES."
